DOMESTIC RELOCATION ALLOWANCES

Reference: Domestic Relocation Legislation
 dated 23 November 1983

STAT

1. Reference advised that increased benefits for Federal employees who relocate domestically became effective on 14 November 1983. Unfortunately, the General Services Administration (GSA), the action Agency for this legislation, is still working on implementing instructions and revisions to the Federal Travel Regulations (FTR). GSA advises that these revisions should be published in early 1984. Pending receipt of the GSA implementing instructions, those who relocate on or after 14 November 1983 will be reimbursed using the existing Federal Travel Regulation provisions. Additional entitlements will be honored as soon as the GSA implementing instructions are received. Any employee entitled to additional reimbursement will be required to submit a supplemental voucher to obtain full benefits. A later notice will advise employees when the GSA instructions are issued.

2. Meanwhile, employees should be aware that the Office of Personnel is maintaining close contact with GSA during the development of these regulatory changes in order to obtain the best benefits possible under the existing legislation.

George -

Per our conversation I am attaching a copy of the Domestic Relocation HN. Until GSA finalizes their implementing instructions there is not much we can add. With regard to GSA's proposed per diem legislation there doesn't seem much to get the troops excited about since there is no indication of Congressional action.
